THE TIDES IN LIFE
THEY COME AND GO
JUST AS THE WAVES
BEAT TO AND FRO
TO EACH OF US
EHS HAS MEANT A LOT
REALLY MORE
THAN WE HAD THOUGHT

The seashore has often
 Many snags and rocks
 And also many gulls
 In great flocks
 If you are looking
 For some goal to reach
 Reach for a star
 Strive to go far

We know only once we'll

Sail this ocean we've found

And these calm waves may

Even beat and bound

But having been here will

Make us have a better light

As we sway here and there

And sail off into the night

AS I WATCHED THE WAVES
BEATING TO AND FRO
I GOT THIS WONDERFUL FEELING
A FEELING THAT WAS TO GLOW
I WAS THINKING OF A TIME
A TIME WHEN I WAS A GULL
AND ALL THE GREAT TIMES WE
SHARED THEN I BEGAN TO REALIZE
THAT I HAD REACHED MY GOAL.

THIS SHIP HAS NOW
 REACHED ITS PORT
 WITH ITS CARGO
 OF ALL KINDS OF SORT
 SOME WILL GO EAST
 SOME WILL GO WEST
 OUR JOURNEY OF LIFE
 WILL SOON MEET ITS TEST.

Everett boy's cross country team has shown excellent individual performances. The varsity team is composed of five juniors, and one sophomore. With a record of two wins and three losses, they have been very competitive, losing only one meet by more than 10 points. Sophomore, Bruce Overstreet has been placing high regularly. On our course, he tied the school record and in a later meet improved his time by 10 seconds. Junior, Paul McKee, team captain, is developing into an excellent runner. In his last meet, he took off eleven seconds from the course record. Paul and Bruce, along with Tony Padilla, Ken Stave,

Thad Trepanier, and Mike Rider should continue to keep Everett in contention for a top position in the district meet. The boys placed 5th in district.

This was the first year that Everett High had a girls cross country team. It was led by freshman runner, Eunice O'Neil. Debbie Shield, a sophomore was the number two runner. They had a good season for first year team but they didn't place in district. Coach Jackson hopes that next season will be better because of the experience of this year's team.

The girl's tennis team had a good season this year. They were coached by Miss Delores Sutherland, who has coached tennis here for 14 years. The captain this year was Kathy Etner. The record for the season was a 10-4 win-loss. The team came in 3rd place in the league at 8-2. The scores for the season is as follows:

Everett 3	Port Angeles	4
Everett 3	Burlington	4

Girl's Volleyball

The Everett High girl's volleyball team had an exciting season, with a lot of young players gaining game experience. Only two members of this year's squad were returning varsity players, co-captains Kathy Dahl and Meg Metzger. Kathy will be the only player not returning next season. The girls were tough contenders with every team they played and were involved with Cascade and Mariner High Schools in a play-off for a district birth.

Girl's Swim Team

The E.H.S. girl's swim team did well this season under the new leadership of coach Debbie McCollum. The team has improved every year since its start in 1975. This year the team had many promising freshman with lots of enthusiasm. The team sent nine girls to regionals; Linda Lucas, Lynette Weston, Liz Trepanier, Micki Anderson, Heather MacNamara, Paula Troxell, Kelly Karls, Stacy Fralick and Jenifer Chavez. Everett High was also represented in the state swim meet with Heather MacNamara swimming the 500 free style.

One of the more remarkable characteristics of the 1977 Everett High Seagulls football team was the exceptionally high caliber of senior leadership and performance. All nineteen seniors on the team, lead by tri-captains Jeff Hutt, Scott McKay and Craig Smith were as fine a group of leaders as ever played for the Seagulls. These young men will be surely missed but never forgotten in the years to come. Throughout the season, defense proved to be the strength as Gulls while the offensive effort—green as grass early in the season—improved from week to week. The kicking game featuring Chuck Nelson's booming kicks had to be among the best in the state. The young Seagulls of '77—the juniors, sophomores, and freshmen—give EHS fans reason for optimism in the seasons to come, especially if these young men continue to perform up to the standards of excellence as set by the Seniors of the 1977 Seagull Football Team!

This year, because of the absence of a sophomore football team, the Junior Varsity team was made up of many Sophomores and Juniors, making it the youngest J.V. team in the conference. In every game, they went out and played against teams made up of people who had greater experience than themselves. Even though the win/loss record may not be impressive, the experiences that they gained and the enthusiasm in which they played every game was very impressive.

Next year, because of the absence of the many Seniors on the Varsity team, some of these J.V. players will step into starting roles on Varsity. If the experiences that they have acquired this year have taught them something, and if they play football with the same enthusiasm as they played this year, next year may be an exciting year for Everett High Football.

The Everett High Freshmen team progressed quite well with early victories over Lake Stevens and Marysville, which showed promise for a successful campaign.

The team was very small in number and most of the boys lacked experience, however, they showed a great deal of character and pride as a team. Hard work and dedication will help mold this group of freshman to a successful varsity team in the Everett High tradition.

“Look to the rainbow” was the theme of this year’s homecoming coronation. The students entered the auditorium as the choir sang “Finians Rainbow”. The ten candidates and escorts were then introduced one by one. The five girls of the honor court were then presented to the student body and escorted to their places. Next the four princesses, Julie Anderson, Leslie Crane, Jeanie Agnew, and Julie Johnson, were introduced.

As the choir sang “Sweetheart of Everett High” Connie Knudson was announced as the 1977 Homecoming Queen.

During Homecoming Week Connie reigned over many activities. The week’s festivities were brought to a close with the traditional ride on the float during the Homecoming game.

Homecoming . . . An Assembly Of

This year's homecoming showed that Everett High's spirit was #1. The displays were very original and imaginative. The seniors won first prize for their display, with the slogan, 'Keg the Panthers'

The assembly showed much spirit from the faculty as they performed skits, which depicted various Hollywood TV shows, commercials, and celebrities

The parade formed in front of the school, proceeding down Colby to the stadium, then, a bonfire, which helped arouse the students' spirit just before the game

E.H.S. played a good game against the Snohomish Panthers, unfortunately, we drew the defending state champions, which were rated #1 in the state at the time of our game. Although Everett played an outstanding game, holding the Panthers to 14 points at the half, the panthers were victorious. Everett's team showed great pride and courage, but just couldn't beat the Panthers

“See How They Run”

The drama department's selection for the fall production was "See How They Run." No question about the title of this smash London hit. So swift the action was, so involved the situations were, the rib-tickling plot left the audiences exhausted from laughter. Galloping in and out of the four doors of the English vicarage was an American actor and actress, a cockney maid who had seen too many American movies, an old maid who "touched alcohol for the first time in her life," four men in clergyman suits presented the problem of which was which, for disguised as one was an escaped prisoner, and a sedate Bishop aghast at all of these things that went and the trump-up stories that were told him. It was a breathless show, fast tempo, and plenty of laughs.

Girl's Soccer Places

Our Girls Soccer team took second place in our four team league composed of Cascade, Snohomish and Mariner, with 6 wins, 1 losses and one tie.

The team was led by captains Kathy Solie and Kathy Lewis and all will be back next year except for graduating seniors Candy Timm and Debbie Walker. Returning starters will be Kelly Crippen, Monica Berrens, Cathy Trask, Joyce Boyd, Kathy Rochon, Debbie Pettitlerc, Diana Struble, Patty Dutton, Janean Bakker and Freshman Julia Boyd. Coach Scafe expects a lot of good things from the team veterans next year.

The Everett High Girl's Club Tolo was held on Saturday, November 5, 1977 in the School gym. The theme for this years tolo was "Sports Spectacular" and the band was United Flyte. There were a variety of displays featuring; skiing display, and there was a food table with punch. Many couples came dressed to fit the occasion and prizes were awarded for the best costumes. Due to the hard work of the Girl's Club, the tolo was a success and everybody had a good time.

Seagulls Welcome Frosh

Alice in Wonderland? Yes, that was the theme of the Student Tea. At the beginning of the year the girls club puts this on for all new freshman. They put on a skit as shown, above. Looks like they had a good time! Brenda Davis opened by introducing the girls. Ann Burton is in the fashion show which Chaffees put on to show the many clothes that are in fashion. The Jazz choir also had a part in welcoming the new seagulls to school. Seagulls also taught them some of our songs like E V E R-E T T. They also held a Herfvs raffle. It was quite a welcome.

This years Cummins Memorial Game was a huge success and a very exciting game. The game raised a lot of money for the Bob Cummins Memorial Award scholarship fund. The firemen donated one hundred dollars to the fund. At the end of the year the scholarship goes to an outstanding senior that hasn't gotten any recognition.

Instead of just having the firemen play against the teachers, the girls varsity basketball team played against the teachers during quarter and halftime. Unfortunately, although it was a close game, the teachers were defeated by both the firemen and the girls basketball team.

Boys Varsity Basketball

The Seagulls were not expected to be one of the top contenders in the Western Conference this year. However, with the outstanding leadership and play provided for by senior co-captains Rich Webber and Craig Smith and the steady play of a number of Juniors, the Gulls completed a very successful season, tying Meadowdale for the Eastern division championship, only to lose in a playoff. The team employed a full court pressure defense utilizing its exceptional quickness and offensively, combined the fastbreak with a patient offense, looking for high percentage shots. The Gulls demonstrated unrelenting hustle and a great desire to win, all of which contributed to a very exciting season.

Junior Varsity Stars Of "78"

The Junior Varsity basketball team had a good season under coach Haug with a record of 16 wins, 2 losses, and one tie. The team consisted of two juniors, seven sophomores and three freshmen. All around they had balanced scoring by all team members

Freshman And Sophomores Training For The Future

The Sophomore team coached by T. Schultz, had an average season with 6 wins, 7 losses, and 1 tie. The team gained much experience and ability in the 13 games they played, one each week.

The leading scorers were Mark Uhl, Bill Collins, Laird Gunn, and Robert Dotson. Mark Uhl, Dan Ockewicz, and Paul Duffy missed most of the season due to injuries, so several freshmen were used to bolster the ranks. (Morgan, Dotson, and Reed)

The freshmen did quite well playing on the Sophomore team and overall the team looked good and showed much potential. We can look to a successful season next year.

1977-1978 Freshmen basketball team played well this season. (Worked very hard on developing their skills under coach Jongejan.) The team record for this year was 8-4. The team looks promising in years to come.

Wrestlers "78"

This years wrestling season will have to be classified as only a fair one for Everett High School. The team wrestled against Seattle schools though, beating all 3 Metro teams they wrestled. But in Wesco the team could only come close, losing by narrow margins to Cascade, Edmonds and Mount Lake Terrace. On the plus side, there were a number of school records set this year, these include: fastest takedown, by Scott McKay in 4.2 seconds, most number of pins in a season, by Alan Mehus with 8 and most number of team pins, with 40 on the year. The wrestling team also had several good efforts in the tournaments, with Kevin Bragger and Steve Jacobson placing 5th in the district. Alan Mehus placed 3rd in district and 5th in the regionals, and Scott McKay placed 4th in district and 3rd in regionals to qualify for the state meet.

Swimmers "78"

This years swim team was headed by team captains Vince Clubb and Jim Kinard. Their advisor was Mr. Bennett whom has contributed much to bring his team along through this season. Many new faces hit the water for the first time. This year many freshmen and sophomores joined the squad. The season was highlighted by the two relay teams that made it to the regionals. Also, Jim Kinard made it to state and along with Vince Clubb, carried their team to an enjoyable season.

They were coached by Mr. Boyd this year and the captains were Patty Moser and Debbie Petticlerc. They worked hard for two hours a day after school for two months. They are to be comended for their outatanding effort during and after the season.

Christmas Fund Drive Aides 100 Families

This years Christmas Fund Drive was outstanding. The goal this year was to feed 65 families in the Everett area. But, because of the large quantities of food contributed by the students of Everett High School, the Christmas Fund Drive committee was able to deliver goods to about a total of 100 hundred families.

Special thanks goes to the Boys Club and the Girls Club for their time and effort concerning the delivery of the goods. The members of these clubs said that the families enjoyed receiving the goods with which they had a more pleasant Christmas and New Years Holiday.

This drive showed not only that our students were able to organize and collect food for the needy families but showed that the pride and spirit of Everett High School remains high and serves the community in an annual time of need

Both coach Pat Barrett and Team captain Jim German agree that it was a fun and competitive year. Barrett is looking forward to another exciting season next year. The team retired seven seniors from the roster closing this year with all fine year-long efforts. They included the followong; Tony Brubaker, Jim German, Steve Jacobson, Duane Heck, Jay Peterson, Ken Clark, and Roger Locke. ''The Year In Soccer 1977-78''

This year the E.H.S. soccer team consisted of 4 seniors and the rest underclassmen, which included two very capable freshmen, Steve Hurst and Breck Marsh. Our record for this year was 3 wins, 10 losses, and 2 ties. Coach Dennis Scafe attributed the poor record to a lack of luck. The offensive scoring punch was supported by seniors John Secoy and Scott McKay, and the defense was held together by Skip Crout at fullback and Russ Ronnback at goalie. One highlight included a 2-0 victory over Meadowdale. Next year's team should have a pretty good season, because the underclassmen will have had one and two years of experience at the varsity level.

Rathburn as Mamita's sister, Alicia; and Steve Lewis as Gaston's Lawyer, Maitre Dufresne. There was a cast of 25, a full orchestra, and a crew of 15. Gigi takes place in Paris, the city of romance, around the turn of the century. The story is narrated by Honore LaChailles, a confirmed bachelor, who is particularly wise in the nature of women, love, and marriage. Gaston is extremely wealthy, handsome, and the object of desire to half the women in Paris. He finds life quite a bore and is happy only when visiting the humble home of Inez Alvarez, Gigi's grandmother, and playing cards with Gigi, who is just a refreshing child to him. Inez (Mamita) has plans for Gigi to become a lady of breeding and for assistance has called upon her sister, Alicia to teach Gigi how to please her courtiers. One evening before Gaston is to attend a party in his honor, he decides instead to stay with Mamita and Gigi for dinner and cards. All three have a bit too much champagne and Gigi wins her bet with Gaston that should he lose the game he will take her to Trouville by the sea. Their holiday proves to be the most exciting Gaston has had in years. Also at Trouville, Mamita meets Honore by chance they recall a romance between them many years ago. Arriving back in Paris, Gaston realizes his love for Gigi and requests her hand in marriage.

Seagals Keep E.H.S.

The Seagals have been very active this year. They did two drills during football season, including Classical Gas and Zingit. Also during football season they had a Winter Sports Banquet for the varsity football team.

During basketball season, in one of the two routines they did, the Seagals combined with the Cascade Bruinettes for a drill routine called Carousel, which was performed during halftime at the Everett - Cascade game.

Through out the year, the Seagals, with the help of Nadene Watd, their new advisor, had been trying to raise enough money to go to Victoria with the band and to go to statewide competition in Spokane. While trying to raise money, the Seagals were constantly saluting sports. When they salute a team they make locker signs for every member of the team, then they attend the game that they are saluting, and then they make food for the team.

The Seagal Club has proven to be a very active and important group at Everett High.

And The Band's Played On

The Everett High School Concert Band was open to anyone desiring to participate. The Band turned part of the net fees for the Marching Band in the fall into the Concert Band during the Winter and Parade Band during the Spring. As instrumentation allows, the Concert Band also participated in concert performances presented by the Music Department.

Stage was a special elective designed to offer instrumental musicians an opportunity to explore the areas of Jazz Literature. Membership was limited by a fixed instrumentation which consisted of 5 saxophones, 5 trumpets, 5 trombones, lead guitar, bass, set, and piano.

The Everett High School Symphonic Wind Ensemble was made up of approximately 50 musicians. Membership was determined for the year by auditioning the band, in combination with the Everett High School Concert Band, functioned as a marching unit during the Fall football season, as Pep Band during the Basketball Season, and as a Parade Band in the Spring. The Ensemble also had responsibility for preparing and presenting its own Concert Schedule during the year.

The Everett High School String Ensemble was in its third year with 12 violins, 2 violas, 2 cellos, 2 bass viols, and piano. It performed at various functions throughout the community and school and it was the nucleus of the orchestra for the annual Spring Operetta. Next year these strings will be joined by wind and percussion instrumentalists to form the first full orchestra which Everett High has had in many years.

Pep Band Has Spirit

The Pep Band provided the spirit at our assemblies, football and basketball games. It was a combination of the Wind Ensemble and Concert Band. They are a highly talented group of musicians and we all should be proud of their great display of true Everett High spirit

Spirited Girls Help Band.

The Girls of Note was established as a recognized school club this past year. The club is for all girls in one of the choirs or in one of the bands. The purpose of this club is to help support the band.

The Girls of Note activities this past year were fund-raising, by selling booster buttons and holding a spring banquet for the band members which they all enjoyed.

The Choral Department was made up of four groups this year: Acappella, Soprano Choir, Honor Choir and Vocal Jazz Choir. All groups combined for the traditional Homecoming Coronation Assembly. The Accapella and Honor Choirs joined with the band for our first Veteran's Day Assembly in the gym in November. All the choirs sang for the annual Vespers, held December 18th at the First Presbyterian Church, due to the renovation of our Civic Auditorium.

Choirs Get It All Together

Throughout the year the Choirs were continually raising funds to help with the many expenses they had. The Honor and Girls Choirs sang over 20 performances during the Christmas Holiday Season and all the groups again combined for a Gala Spring Concert in May. Several choral members were accepted as members of All State Choir, "Music In May" and several college music weekends. The Choir Department was truly the most outstanding spirited group ever.

Everett's bowling team brought together a group of students who like to bowl and compete as a team against other schools. Turning out every Tuesday night for two hours, the team was very competitive and had a good season. They were coached during practice and competition by Doreen Gilmore, a competitive bowler in adult leagues.

The purpose of the ski club is to get all the skiers of the school together and go on ski trips. The ski club went to Mission Ridge for two nights and three days during Christmas vacation, giving them a chance to ski one of the best resorts in the State of Washington. Our advisor this year was Mr. Pat Barrett who arranged all the trips and also chaperoned us.

Lettermen

The Everett High lettermans club under Mr. Bailey and the club office has been a very active and service orientated organization this year. Officers for the 1977-78 school year were Steve Mason, Chuck Nelson, Scott McKay. Early in the fall the letterman constructed and donated a victory bell, painted in seagull colors to be used at the football games. The letterman also took a group of boys from the Luther Child Center to the U of W football game in Seattle. The winter found the letterman sponsoring a successful dance, bumper sticker sale and the not soon to be forgotten first "Donkey Basketball" game. The letterman were narrowly defeated in a very exciting game by a faculty all star team. A tug of war between middle schools was a half time treat, with Port Gardner winning the team championship. This spring the letterman took a trip to the Seattle Sonic game, painted waste receptacles for the halls and grounds of EHS. Sponsoring a dunking booth and cake walk at the campus day is a money raising project to allow the letterman to keep doing great things at Everett High School.

This past year the Volunteer Program has been quite successful. About twenty Everett High girls volunteered at two locations, Everett General Hospital and Providence Hospital. These girls offered many services and a friendly smile to the patients and received many thanks and personal satisfaction from a job well done.

The Volunteer Program is mainly for Freshmen and Sophomores although older girls may join. By volunteering the girls had an opportunity to learn firsthand how a hospital environment functions and what a career in medicine would be like.

The FEAST class this year has been busy serving lunches two days a week to faculty, students, and many people in the community. Other projects included selling pies at the Thanksgiving dinner and a Christmas Buffet. The students worked hard in preparation for the FEAST fair competition that was held in March at Sumner High School. Students competed in all areas of food preparation and serving.

This years Nesika Staff was different. We wanted to change many things that have been used over and over again. Things like picture organization and utilizing as much white space on pages as possible. So the two yearbook editors, Tony Brubaker and Mary Sicktich teamed up and, along with a highly devoted staff, planned and produced what we think to be the best Nesika yet. Much of the credit goes to Roger Anthony, our advisor, for teaching us all the guide lines and secrets needed to build a yearbook. We all got along pretty well and we'll always remember the fun and enjoyment we shared together throughout the year of "78"

Who's who in the woods.

We'd like you to meet four
of the best tree people in Wash-
ington

In and out of the forest
Jim Lyons has two big re-
sponsibilities in the woods.
Layout, rigging and operation
of over \$400,000 worth of log-
ging equipment. And the safe-
ty and training of his crew.

Dale St. Luis is a master
judge of logs. He can quickly
determine the type and qual-
ity of every log that comes into
the mill and the best way to
cut it to get the most lumber.

Judy Zwiefelhofer is a ply-
wood specialist. She knows
the best way to build a panel
layer by layer, and how to fin-
ish the faces to guarantee
strength and quality.

Jim Stump turns wood chips
into fiber with large discs that
rotate at 565 mph just thou-
sandths of an inch apart. With
his help, we're able to convert
95% of this fiber into high
quality pulp.

Now when it comes to ac-
tually growing the trees for
lumber, plywood and pulp, we
all know who gets the credit.

But Mother Nature doesn't
really care about society's
demand for more and more
wood products.

So, we give her all the help
we can.
